LETTER TO OFFICIAL DRAFTSMAN

Sir:

The drawings are objected to under 37 CFR 1.83(a) as not showing the "the refrigeration circuit which extends less than about 200 mm above the roofline for the claim 8". In response, the applicants have amended the claims by insertion of the dimension h in Fig. 5a and by an associated discussion of this feature on page 12 of the specification.

If the Examiner wishes to expedite disposition of the above-captioned patent application, he is invited to contact Applicant's representative at the telephone number below.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Respectfully submitted,
